Art.3.2 UIAA Approved Test Laboratory

A UIAA Accredited Test Laboratory is a laboratory where testing of equipment is done in accordance with the UIAA standards for mountaineering and climbing equipment or sub-contracts to a laboratory where such testing is done. All laboratories approved by the UIAA (...) are allowed to use the title "UIAA Approved". A maximum of two (2) representatives from each laboratory have a right to attend the UIAA Safety Commission Plenary meetings but without any voting rights. An approved laboratory shall re-apply for certification at the end of its three (3) year term.

Peter Muir
UIAA President

Lionel Kiener
UIAA Safety Commission President

*This certificate is valid until 31st December of 2023.
